Year End 2016

Dear Friends –

Another year gone by already ...! And it's been another good year here at Second Chance Bunnies.

We continue to help a significant number of rabbits through our rescue and adoption efforts. This year, we brought 31 rabbits into our in-home facility saving them from shelters, helping other rescue groups, or from community surrenders. Through November, 23 happy rabbits were adopted into permanent, loving homes! Our bunny-sitting services continue to help many families enjoy time away from home without worry about their furry ones – we're often booked to capacity, especially around the holidays.

Most of you know that Second Chance Bunnies is an in-home rescue facility – and many of you either adopted from us directly in our home, or brought your rabbit here for our bunny-sitting services. We are a small organization, working hard to increase awareness not only of our rescue, but also of the situation facing many unwanted or abandoned rabbits. We're making great progress in this area, as evidenced by our increasing adoption rates. We hold three adoption events each month – at the Petco in Auburn, Pet Food Express in Roseville, and the Petsmart in Rocklin (by Walmart), as well as adopting at our rescue on an appointment basis.

As you can imagine, running a rescue takes a great amount of time and resources. We are all volunteer based, and are very thankful for the help we receive from our dedicated volunteers. Your contributions are very important to us and assist in providing quality care to the bunnies while they await their forever home. We are grateful for gifts of any size – see how you can help:

- \$25 provides 1 bale of hay – enough to feed our bunnies for 1 week
- \$50 provides 50 pounds of timothy pellets – enough to feed our bunnies for 2 weeks
- \$100 covers the expense to spay one female rabbit, or almost 2 male neuters with the discounted price we receive through supporting veterinarians
- \$250 helps with long term support for special medical need rabbits and older sanctuary bunnies that will stay with us for the rest of their lives (typical lifespan for house rabbit is 8-10 years)
- Gift cards of any amount to Safeway or BelAir for fresh veggies or Pet Food Express for timothy pellets

Good news: A “Secret Santa-Bun” will again be matching all year-end contributions so your donation will go twice as far to help our bunnies. Donations may also be made through our website or via PayPal (secondchancebunnies@yahoo.com). Your donation is tax deductible, and we are happy to send you a receipt for your records.

We have lots of fun bunny toys and items for sale – all proceeds help our rescue. Call (530) 269-7764 or email secondchancebunnies@yahoo.com if you're interested in getting something special for your bunny this year!

With sincere thanks and best wishes for your holiday season,

Janet M. Foster
President, Second Chance Bunnies, Inc.
