Year End 2021

Dear Friends –

As another year-end approaches, we'd like to thank our adopters, bunny-sitting friends, volunteers and supporters. With the COVID virus, we have not had any adoptions for a while and we have not been able to do our usual adoption events. But we have been very busy caring for the many rabbits staying at Second Chance Bunnies while they are waiting for their forever homes.

Our bunny-sitting services continue to help many families enjoy time away from home without worry about their furry ones – in the past, we're often booked to capacity, especially in the summertime and around the holidays. This year has also been harder with the virus so we are not getting as many bunny sitting requests.

As you can imagine, running a rescue takes a great amount of time and resources. We are all volunteer based, and are very thankful for the help we receive from our many dedicated volunteers – call us if you'd like to volunteer and help us. We are fortunate to receive small grants and donations throughout the year, but it's not enough for all of our expenses. Your financial contributions at this time are very important to us and assist in providing quality care to the bunnies during their stay at our rescue. We are grateful for gifts in any amount, or for gift cards to Safeway or BelAir for fresh veggies or Pet Food Express for timothy pellets and Echo Valley for hay and litter.

If you'd like to help, you can send a check to the address above, or make an online donation through our website or via PayPal (secondchancebunnies@yahoo.com). Your donation is tax deductible, and we are happy to send you a receipt for your records upon request.

Wishing you safe holidays.
